PROFESSIONAL SUMMARY

My name is Sthiti Mohanty, and I'm an undergraduate student pursuing Electrical and Electronics Engineering at the International Institute of Information Technology, Bhubaneswar (Batch of 2027). I have a strong interest in theoretical computer science and a deep curiosity for systems-level work, including APIs and data science. I'm also passionate about system software, machine learning, operating systems, databases and the challenges involved in building and scaling robust, high-performance products.

EDUCATION

- **International Institute of Information Technology, Bhubaneswar** CGPA 7.97/10
B.Tech in Electrical and Electronics Engineering 2023 – 2027
- **Mother's Public School** percentage 94.8
Senior secondary education 2020 – 2022

PROJECTS

- **blog-application**
python, HTTP REST, sqlite, fast-api
 - Built a full-stack blog application using **FastAPI** for the backend.
 - Implemented secure **JWT-based authentication and authorization**.
 - Developed **RESTful APIs** for user registration, login, and CRUD operations on blog posts.
 - Integrated **SQLite** for persistent data storage.
 - Applied **modular code structure** for scalability and maintainability.
 - Ensured **robust error handling** and followed best practices for security.
 - Collaborated with a frontend interface for a seamless user experience.

TECHNICAL SKILLS

- **Languages:** C, C++, Python .
- **Frameworks & Tools:** Html, Css, FastApi, React.js, Websockets, Pandas, Numpy, Matlab, Matplotlib, excel .
- **Databases:** MongoDB, Sqlite, Mysql
- **Other:** Data-science, Full-stack Development

ADDITIONAL

- **Strong Communication Skills**
 - * Effectively communicate technical concepts to both technical and non-technical audiences.
 - * Experience in collaborative environments with cross-functional teams.
 - * Confident in public speaking and delivering presentations.
- **Leadership and Teamwork**
 - * Proven ability to take initiative and lead small project teams.
 - * Value team input and foster a collaborative work culture.
